

BUSINESS ANNOUNCEMENTS

Alberta Small Haul

Alberta Small Haul offers junk removal, dump runs and on demand delivery services. We have a 14' dump trailer and a 20' flat deck trailer to move the items you need. We are fully registered and licensed to operate in Southern Alberta, We carry business insurance and cargo insurance so you can have peace of mind when you contract us to haul your cargo or have us remove junk and unwanted items from your property. Alberta Small Haul is still open and will remain open during the current health event. If you need a dump run or have junk to be removed, please call us. We would ask that you arrange a space for the items to be removed in the driveway, garage, or readily accessible area of your yard for pick up. This will help with social distancing efforts. We will not be entering occupied homes while social distancing measures are in effect. **403.829.9675**

Community Futures

Community Futures Boosts Financial Relief for Local Businesses

The Government of Canada and Community Futures organizations (CFs) understand the difficulties the COVID-19 pandemic has caused the small business community throughout the West. As a result, the Government of Canada has made funds available to the CFs to provide support and assistance to small and medium size businesses through the rural stream of the Regional Relief and Recovery Fund (RRRF).

The Regional Relief and Recovery Fund provides funding to support businesses that have not been approved for supports through the Canada Emergency Business Account (CEBA) or the Emergency Loan Program delivered through Aboriginal Financial Institutions.

General Details:

- Maximum loan of \$40,000;
- 0% interest until December 31, 2022;
- No principal payments until December 31, 2022;
- Principal repayments can be voluntarily made at any time without penalty;
- 25% up to a maximum of \$10,000 in loan forgiveness is available, provided the outstanding balance is paid back by December 31, 2022;
- If any part of the balance is not paid by December 31, 2022, the remaining balance will be converted to a term loan effective January 1, 2023; and,
- The full balance must be repaid no later than December 31, 2025.

Eligible Uses for Loan Funding:

The funds from this loan shall only be used by the Borrower to pay non-deferrable operating expenses of the Borrower including, without limitation, payroll, rent, utilities, insurance, property tax and regularly scheduled debt service, and may not be used to fund any payments or expenses such as prepayment/refinancing of existing indebtedness, payments of dividends, distributions and increases in management compensation. Note that funds from this loan cannot be used to pay expenses already supported through the Canada Emergency Wage Subsidy or the Canada Emergency Commercial Rent Assistance.

Eligibility of Businesses

- As per Terms and Conditions of the Community Futures Program, small and medium size businesses are defined as having less than 500 employees and annual sales revenue of less than \$20 million, and produce goods and services for the market economy, regardless of their business structure (e.g. sole proprietorships, social enterprises, cooperatives, etc.);
- The applicant has not been approved for other federal supports such as the Canada Emergency Business Account (CEBA)
- The business must have been viable as of March 1, 2020;
- Established before March 1, 2020; and,
- Must have been adversely impacted because of the COVID-19 pandemic.

To apply, please visit the Community Futures website: www.crownsnest.albertacf.com

Crowsnest Museum

We have Re-Opened!

The Crowsnest Museum is now open to the public. We have protocols in place to keep staff and guests safe.

At this time most of our galleries are open to explore, the APP Barracks is available by appointment, we prefer that guests use electronic payment methods (no cash if possible), and please try to maintain social distancing as much as possible.

We look forward to seeing everyone over the summer, and we are very thankful for the support we received during the closure.

Crow Works Engraving

Open Monday-Friday 12pm-5pm and Saturdays by appointment only. 403-562-2920

Encounters Wine Bar and Small Plate Kitchen

Open for in house dining by RESERVATION ONLY. We believe this will offer the best combination of customer and staff safety (we can control the number of guests and their arrival time) and costs efficiency in these troubling times. Our plan is to take reservations (Wednesday - Sunday) for no more than 12 guests at a time in the wine bar which is 1/4 our seating capacity. This will ensure more than adequate space for distancing and maximum comfort. I will have finished off our new menu (smaller than the old for now to ensure the best stock rotation. No worries there will be dates wrapped in bacon) and include a fix price 3 course meal as well. Be forewarned if we have no reservations by noon on Wednesday, Thursday, or Sunday we will not be open that evening. Our takeout menu will be available Friday and Saturday (reservations or not we will be open 430- 8 pm) and any other day we are there. What this means to you - planning a bit on (I do have to give my very flexible staff some notice) It doesn't mean that you can't make a reservation after noon its always worth calling but there are no guarantees. It all seems a bit strange and maybe confusing, but I hope it works because we miss our customers.

Goosen Plumbing

Goosen Plumbing and Heating is working during this crisis. If you have plumbing or heating problems Goosen Plumbing is here to help. Running water and sinks that drain are of vital importance to keeping yourself and home safe and clean. We would like to assure you that the safety of the community, customers and staff is of the up most importance. We also understand money can be tight these days and are willing to work with you on case by case basis regarding payment options that meet your needs.

If there is ANYTHING else, we may be able to help with other than plumbing, do not hesitate to give us a shout **403-563-6441**.

Sincerely,

Brian and Krista Goosen

Ritchie Parts & Mechanical

At RPM we understand the growing concerns surrounding the novel coronavirus (COVID-19)

Like all of you, we have been closely monitoring the rapidly evolving, global impact of the novel coronavirus (COVID-19). We are committed to doing our part to keep the safety of our customers, staff, and community at large as a top priority during these troubling times. As such, we are taking steps to ensure everyone's safety while maintaining our high level of service to you, to the best of our ability. Here is what we are doing: We will continue to work closely with our shipping warehouses domestically, and abroad, to continue to deliver product as close to "business as usual" as possible. We will notify you if there are any changes in our ability to deliver product in the near future. We will not be attending any trade shows, industry events, or training sessions, until further notice. Any delivery drivers will be confined to a limited space in our warehouse. And they have adapted a no signature required for our safety. We are using social distancing, as well as ensuring our workplace and common areas are clean and making hand sanitizer readily available.

SpringBreak Flower Farm

2020 Operations

The greenhouse is bursting with beautiful blooms, greenery and fragrances that help remind us of warmer days and simpler times. We are **open** for the 2020 season and ask you to please note the following modified operational guidelines. These measures will remain in place for as long as necessary to help ensure community, customer and employee safety. With your support and cooperation, we're hoping we can remain open through these tough times to continue to provide you with everything you need to make summer a little brighter. Gardening and growing plants is a great way to cheer ourselves up as we continue to battle COVID-19.

New Rules:

- **Hours of operation: 7 days week - 10 a.m. to 4 p.m. Tuesdays, 9 a.m. to 10 a.m. is reserved for seniors and persons with disabilities or mobility issues who would like to shop at a quieter time.**
- We are limiting the number of shoppers in the greenhouses at any one time to ensure social distancing. If you forget to social distance, please know our staff will remind you.
- You're bound to run into folks you haven't seen for a while. The greenhouse is not the place for a catch-up - you can call or text them later. Please shop with purpose.

- Shopping carts and the Interac machine to be sanitized between shoppers.
- Please follow the “you-touch-it-you-buy-it” principle as best you can.
- The check-out area has been outfitted with plexiglass and special procedures for employee and customer safety.
- Please leave the kids at home – they love to run around the greenhouse (and frankly, who doesn’t?) but it kills social distancing initiatives. If you must bring them, they are always to stay with you ; like one-hand-on-the-cart with you.
- The washrooms are closed to the public; please remember to go before you leave home.
- Payment method: debit or credit preferred.
- We are not taking back used plant pots for recycling at this time.
- Please stay away from the Flower Farm if you are:
 - Not feeling well or have any symptoms (sore throat, coughing, running nose, fever)
 - Have recently been exposed to anyone with COVID-19
 - Are in quarantine, as per Alberta Health Services
- Staff are on hand, as always to help you with your gardening questions – they just won’t get as close to you as they used to.
